

Posting Date: January 31, 2025

Position: Woonasquatucket River Greenway Field Supervisor

The Woonasquatucket River Watershed Council (WRWC) is a non-profit organization seeking an individual who will participate in and supervise the daily fieldwork of a crew of River Rangers. Fieldwork will focus on greenway maintenance and preservation.

The Woonasquatucket River Greenway is a 7-mile multi-use trail that follows the Woonasquatucket River on- and off-road from Providence to Johnston. The Greenway comprises the Woonasquatucket River, several urban parks, and stormwater green infrastructure such as bioretention basins and stormwater tree systems.

The River Rangers are the dedicated heartbeat that work to preserve, improve, and expand the Greenway. The River Rangers collaborate with local Parks, Public Works, and Police Departments and numerous project partners, community groups and residents.

General

- Participates in and supervises the daily fieldwork necessary for preserving and maintaining the Greenway (e.g., bike path, vegetation, pocket park)
- Directs, instructs, and supervises crew of two to six River Rangers
- Reports to the Greenway Operations Manager
- Positively represents the WRWC for work on the Greenway

Key Responsibilities

- Performs, coordinates and supervises fieldwork; directs and oversees crew of River Rangers
- Supports Greenway Operations Manager to prioritize fieldwork
- Supports Greenway Operations Manager with hiring and onboarding of new crew members
- Ensures fieldwork is performed professionally, safely, and in accordance with quality standards
- Instructs and trains River Rangers in stormwater and greenway maintenance practices
- Responsible for the proper use of trucks, tools, and equipment by River Rangers
- Monitors and maintains inventory of trucks, tools, and equipment in accordance with maintenance protocols
- Oversees inventory of Greenway materials and notifies Greenway Operations Manager of needs
- Ensures River Rangers compile and submit their timesheets correctly
- Provides performance related feedback to crew; works with Greenway Operations Manager to address ongoing matters as needed
- Records and maintains daily inspection and maintenance activities using GIS-based asset management software
- Supports special projects, WRWC events, and volunteer clean-ups

Minimum Qualifications

- Associate's degree preferred
- One year of professional experience leading and motivating field crews
- Three years of professional landscaping experience:
 - Native & invasive plant identification and management
 - Turf management
 - Meadow and pollinator management
 - Planting, transplanting and management of trees, shrubs and perennials
 - Horticultural care practices such as tree pruning, watering, and soil amendments
 - Using equipment such as chainsaws, pole saws, line trimmers, rider and standing mowers, etc.
 - Light construction and painting
 - Equipment and tool repair
 - Towing a 20-foot landscape trailer
- Strong leadership skills including effective communication, training, and performance feedback
- Proven ability to interact with members of the community representing diverse ages, backgrounds, and interests
- Moderate to strenuous physical activity is required: walking several miles, lifting and carrying 40 pounds, kneeling and crouching for long periods of time, working in extreme weather conditions
- Have a valid driver's license, good driving record, and reliable transportation
- Proficiency using a computer or tablet for compiling daily maintenance logs
- Preferred certifications or experience in the following:
 - Pesticide Applicator
 - Master Gardener
 - Invasive Manager
 - Arborist
- Bilingual or Multilingual preferred; Spanish language fluency a plus
- If hired applicant will be required to get a background check

Employment Terms & Timeline

- 40-hour, five-day work week that occasionally includes nights and weekends
- Annual salary: \$48,500 to \$52,500 depending on skills and experience
- Full-time employees receive paid time-off (vacation, sick days, and organization holidays) and may participate in medical, dental, and a retirement plans with a company contribution

How to Apply

Please submit one PDF document that includes a cover letter, resume and copies of relevant certifications (e.g., landscaping, stormwater, etc.) to info@wrwc.org with "Greenway Field Supervisor Application" in the subject line.

Applications will be accepted and reviewed on a rolling basis.
